

Best Tel to Host 4th Annual Bridge the Gap Run

Proceeds from the Run to Benefit People that Have a Need for Wheel Chairs, Ramps and Other Mobility Equipment

MEDFORD, OR — April 25, 2008 — Best Tel, an industry leader in telecommunications, announced today that it will host the 4th Annual Bridge the Gap Run. Proceeds from the run will benefit Mobility Unlimited, which helps people that have a genuine need for wheel chairs, ramps, and other mobility equipment. The event will occur on May 3, 2008 at Railroad Park and will include a 5K and 10K run and a 5K walk.

The idea to start the run began in the summer of 2004 when the owners of Best Tel, LLC were looking for a way to give back to the community. Since one of the partners, Chuck Whiteley was a runner, the company decided to sponsor a run that would benefit Mobility Unlimited. The idea would allow those individuals who are gifted with the ability to run to bless those who could not. To date, the Bridge the Gap Run has generated \$20,312 in proceeds for Mobility Unlimited.

Mr. Whiteley has continued to play an active

role in the run as the Race Director for the last 4 years and he has recruited and maintained major sponsors such as PremierWest Bank. "We are very pleased that the Bridge the Gap Run has become such a fun annual event and the support it provides Mobility Unlimited is wonderful," said Mr. Whiteley. "At Best Tel, we strongly believe in contributing to the good of society and we're fortunate to have the resources and a great group of people that want to give back to the community."
